## **Nicholson Law Firm Launches Innovative Website and Brand**

**Concord, NH** – Nicholson Law Firm, PLLC is pleased to announce its newly launched website and brand since completing a successful ownership transition. As the firm's practice areas include personal injury, traffic accidents, civil litigation, and church and nonprofit law, the website features a robust resources library for users to access detailed information about specific concerns – from boat accidents and social security disability, to property disputes and church formation and incorporation.

The website's streamlined and intuitive navigation allows visitors to quickly locate data about relevant case results, news stories about state laws impacting practice areas, frequently asked questions, and links to local, regional, and national resources. An interactive chat feature offers users the opportunity to connect with a live agent, 24/7, at no cost or obligation.

“Our mission at Nicholson Law Firm is to deliver experienced and compassionate legal support, so it was extremely important to our team to provide a wealth of information on our new website, to aid in research related to personal injury and our other practice areas,” Neil B. Nicholson, Esq., Managing Attorney, Nicholson Law Firm. “We consider this an opportunity to

empower our fellow community members with knowledge that can assist them today, or in the future.”

The website leverages the latest functionality and programming features, providing an improved, user-friendly experience. Both the website and brand were designed and developed by Just Flow Events & Marketing ([justflownh.com](http://justflownh.com)) of Manchester.

The Nicholson Law Firm website is accessible at <https://nicholson-lawfirm.com>.

## **ABOUT NICHOLSON LAW FIRM, PLLC**

Nicholson Law Firm, PLLC is dedicated to delivering experienced legal services at a fair price. With a focus on compassion and collaboration, the team works to provide satisfactory outcomes to clients in its four major practice areas: personal injury, traffic accidents, civil litigation, and church and nonprofit law.
